Re: Canales v. City of New York and Others  
15 CV 4823 (ARR)(CLP)

Your Honor:

I represent Julio Canales in this §1983 police misconduct action referred by Judge Ross for general pretrial supervision.

Defense counsel and I spoke with Chambers earlier today and plaintiff, with defendants' consent, requests that today's settlement conference be adjourned to May 23 at 10:00 a.m..

I was unexpectedly delayed by another court appearance and was not able to appear before Your Honor until 12:15 today, too late for the Court to accommodate me.

Thank you for considering this application.

Respectfully submitted,

Matthew Flamm
